THE SCHOOL FAIR OF THE STRATHMORE DISTRICT

The Annual Fair of Strathmore School District was held Friday and Saturday last week.

The exhibits were shown in the Memorial Hall and the Skating Rink while the various outdoor sports were held in the School Grounds.

The exhibits and work shown maintained the excellent quality of previous years, in fact it seemed even to surpass for while the quantity of work shown was not quite as large as in previous years, all seemed more nearly up to perfection.

Mr. Benn of Chatham who was again present as one of the judges spoke in very high terms of the quality of the work shown and said "It gave very strong evidence of the indefatigable work and desire for high achievement maintained by the parent committee of the Strathmore School District."

At the Concert Friday evening Mr. Schutte, President of the District Association, fully filled the duties of Chairman.

An interesting program of recitations and choruses was given, and here again the patriotic care of the teachers was evident.

The three schools entering points for this contest were Strathmore, Canby and a new entrant from the District named Lanters, which was cordially welcomed to the association by the Chairman and Mr. Crowther.

At the conclusion of the concert Mr. Schutte asked Mr. Benn and Miss Kneeshaw to summarize their efforts and also give a joyful suggestion. Their responses were very graciously given, giving a number of helpful points and Mr. Benn expressed the above quoted criticism of the work in general.

While Miss Kneeshaw referred more particularly to the musical part of the concert. She paid very high and well deserved compliment to Miss Fok in her very

FORECASTS ISSUE OF
NEW CURRENT

Begin, inauguration of a new monetary system to replace the present, was forecast by W. J. Loucks, M. P. for the district.

At the first Victory homecoming before the Arthur Meighen club.

I believe if Canada had stepped in when the first Victory homecoming were floated, and had issued currency instead, that currency today would be recognized throughout the world, he said.

In discussing further the banking and monetary systems of Canada, Mr. Loucks expressed the opinion that it was essential that a change be effected in the present system. We boast of our banks, he said, yet I am convinced that at the last session when Mr. Woods' resignation the government he was not far off.

He referred to the occasion when the provincial saving bank in Manitoba was forced to close. The government was dictated to by the banks at that time he contended.

ORATORICAL CONTEST
FRIDAY, NOVEMBER 18

The School Fair Oratorical Contest will be held in the Memorial Hall on Friday November 18.

The topics chosen are:
1 How the School Fair Might be Improved.
2 A comparison Between Life Now and in the Days of our Grand Parents.
3 The Imperial Conference.
4 Irrigation in Alberta.
5 What Our Town for Community Needs.
6 The School Inspector's Visit.
7 The Calgary Stampede.
8 Wonders of Animal Life.
9 Geography's Effect on Men.
10 What Next?

There will be two contests, one for the President's Cup and the other for the Strathmore Standard Cup.

Any pupil now enrolled in the grade 3 class of a school which entered this year's Fair is eligible to compete in the Oratorical Contest.

Any pupil now enrolled in the grade 4 class of a rural school is eligible to compete in the Oratorical Contest.

The final of the oratorical tournament between Nadaka and Jack Van Tighem's (Strathmore) team will be played on Saturday 24th at 2 p.m. on the school grounds, weather permitting. This should be a good game, leave the door open.

finished training of the choruses and strongly urged Miss Fok to take a School Choir to the Calgary Musical Festival next spring.

A delightful surprise was given the audience when a little boy by the name of Stanger from Lanters school sang his solo. This little lad possesses an unusually beautiful voice and gives promise of becoming an outstanding singer.

The complete list of winners will be published in next week's Standard.

ROCKYFORD

The threshing which had got under way so successfully last week, has had a bad set back with rain and cold damp weather. Several farmers still have considerable work to do and a good deal of grain is in the stacks.

Everyone is anxiously waiting for the weather to get back to Alberta's normal brand. Wheat has been threshing anywhere from 20 to 75 bushels per acre, and the grade is nearly all No. 1.

The district has had several losses from fire in the wheat fields, one breaking out on Mr. Hooey's farm on Tuesday last, burning an operational truck and about 20 acres of grain.

On Thursday Mr. Kettchen had several acres burned and on Saturday during the heavy wind a fire broke out at K. Kettchen's field burning considerable stubble, and then crossing to the field of Mr. V. Clemens, where it burned about 30 acres of stubble before it could be extinguished.

In each case the fire was the result of assistance of the men at work and of neighbors checked the fires before they became very serious.

Mr. Harold Risdon has just received word from Bermuda of the death of Mr. T. Wilkinson who was a resident for many years of this city in the interests of the newly organized Cooperative Commonwealth Federation.

The meeting will be held on Sunday evening, September 25th at 8 p.m. in the Memorial Hall; the subject, The Banking and Credit System.

COMING EVENTS

An Autumn Tea and Sale of Home Cooking will be held at the home of Mrs. A. D. Shrimpton on Thursday, September 22nd, from 2:30 to 6 p.m. Tea cup reading and a musical program will be some of the features of interest. Everyone welcome.

JOCKEY REWARDED

C. J. Jacques, owner of Jock of Calgary, winner of the Whinlows, presented Jockey Johnnie Warren with a horse for his fine ride. He also gave \$100 to R. Maxwell, former Jockey and Mr. Eschell, who rode the horse.

Mr. Jacques said that the horse had much to do with getting Jock in such excellent condition.

LOCAL JOTTINGS

How to propose: Instead of saying "Darling, if you'll only be my wife I swear I'll make you happy."

Mr. Miller, the local hotel man of Coonawarra, was in town on Sunday saying he had a large number of hardworking harvesters were required in the Bow Valley, but the local farmers were all next to him as a worker and he did not have a job looking.

At News in the town for a few days. Al was among the unfortunate single men laid off by the Alberta Govt. Telephone and Al thinks the night has avoided the "layoff" if he had been given a little extra warning.

In the Supplementary Examination, Alex. Nicolson, passed in Physics 2, and Betty French, and Elsie Sorenson in Algebra 2.

At the Review of the Boy Scouts and Cubs by His Excellency The Earl of Bessborough, Saturday last in Calgary, Jack Butler with the team of four were presented with a medal for being second place in the championship for the Dominion of Canada in First Aid.

Mr. and Mrs. Butler and family moved to Cochrane Sunday last week when they enjoyed the day at the home of Mrs. R. H. Rogers.

Miss Mida Hughes who spent several weeks in Strathmore in the late spring returned Sunday to her home in Calgary from seven weeks visit at Vancouver.

Mrs. A. H. Perry is enjoying a visit with her mother and sister in Medicine Hat. She expects to return Sunday.

Miss Violet Hyde is to be congratulated in having secured quite a large class of pupils in music at the school of the late Mrs. J. H. Chum, to which places she goes once a week.

Reserve Thursday Sept 22nd to go to the Ladies Aid Tea being held at the home of Mrs. A. D. Shrimpton. A pleasant afternoon is assured. Your fortune as revealed by your tea cup will be told for a small additional fee.

The Sunday School of the United Church will hold its Rally Day service Sunday October 1st and next Sunday as at first plan and.

Say Blime, if you had five bucks in your pocket, what would you think? Blime! "P. D. think I had somebody else's pants."

There are two chances that will hurt any town - peddlers and messengers. The latter is the worst. The messengers are the worst. The messengers are the worst.

The only pleasant feature of examinations are the "howlers," wrong or inaccurate answers that have in them the element of an unconscious humor. Sometimes the humor is not unconscious but that occurs only when the candidate cannot answer the questions and wants to have a slam at the profeesor. Once in a blue moon the Drednatch retorts. Some years ago, at the end of the fall term a candidate could not answer any of the questions wrote on the paper "God knows, I don't. Merry Christmas" and sent it in. A week later he had back with this reply: "God gets 100 per cent. You get nothing. Happy New Year."

An Englishman visiting a Scotch laird was taken out by his host on a fishing trip. In the morning the laird's wife was a novice in the sport, hooked a fine salmon, and in his excitement slipped and fell into the river. The keeper, noting that he was no swimmer, hooked onto him with a gaff and was about to drag him ashore when the laird called out: "What are ye about, bungler? Get him out the rod and look to the fish!" Mr. laird can hide a wee, but the fish wasna!

Friends of Rev T. B. Winter express their regret in the loss of the late Dr. Dick, a general favorite with many.

Miss Elsie Pearson and her friend Mrs. Rockefeller of Nelson B.C. are enjoying a couple of weeks visit at the home of her parents Mr. and Mrs. A. Pearson.

Change Coming In Alberta

view which also suggests that E. J. Garand will become a member of the Alberta cabinet. It was Mr. Gardiner's speech in Parliament that caused the Beaulieu investigation. He is now insistent in demanding reforms that will bring relief to the people and a better distribution of wealth. He is speaking at a series of P. A. meetings the first of which was held at Drumheller just a month ago.

Mr. Brownlee addressed the same meeting and it is interesting to note the extent to which he was in sympathy with the aims of the U. P. A. He was in the views of Mr. Garand who had spoken previously. For example, he believed that the credit system, which had been built up in this country was due for a change and a very decided change. He was in favor of moderate inflation such as helping the farmer to pay some of his debts by a bonus and putting into circulation that much new money. He agreed also that Canada should go off the gold standard. The farmers of Western Canada, he said, paid higher interest rates than the farmers of almost every other country, and he believed that the time had come to consider an entirely new scheme of credits for agriculture.

But Premier Brownlee remarked that these things are not in the control of the provincial Government. He declared for a more equitable distribution of the nation's goods, but he said there were some things that could only be done by the provinces acting together—for instance, raising succession duties or the income tax. Dealing with the financial reform of Alberta, he claimed that taxes were lower and the financial position better than in the other western provinces. State medicine was coming he said and he told how Alberta had led the way in Canada.

One would think that Mr. Brownlee was sufficiently advanced for the U. P. A. If he is not and there is a move for a change, will there be other important developments also? Will the advanced program of the U. P. A. become an issue?

There is a very strong group and divide the province, politically, into two opposing camps? It would be very interesting to see the Alberta Liberals and Conservatives uniting in a coalition group. Is it too much to expect? These are some of the questions which almost anyone may happen.

RUSSIAN AMBASSADOR GOES HOME

London—Soviet Russia calls Ambassador Solominoff home from Tashkent to undertake the herculean task of strengthening its currency. A former minister of finance, the Ambassador is asked to halt several departments of the ruble that sees better selling at \$8 a pound. More than six thousand million rubles are to be in circulation, more than double the amount at the inauguration of the Five Year Plan in October 1928. Russia is suffering from a lack of foreign exchange, and his weekly newspaper, Saghar said.

The owner of this paper owns a 300 acre farm in Macdon county, Mo. which he will wage at even money on Franklin D. Roosevelt's next presidential election in the United States.

We feel that if Hoover wins we will lose this time anyway, so we are willing to stake it on Roosevelt against any other farm in Macdon county of equal value, or against its value in money.

With any Hoover enthusiast anywhere in the United States.

MILD WINTER IN WEST WITH SNOW, PREDICTED BY INDIAN TRIBE AT THE PASS

The Pas, Man.—Western Canada can prepare for a mild winter with plenty of snow. A late fall and an early spring will cut down the winter far below its usual peak. That is the decision of the field weather men of the Cree Indian tribe here.

Year after year the Indians have been calling the turn on the weather and always correctly. Their uncanny skill in forecasting the weather for the coming season is highly respected in the north country.

They closely observe the action of the muskrat and other animals at this time of year, to gain their information.

SPYING ON SPORT

Unless illness prevents his appearance in the annual fall baseball classic, your round friend, the Bambino Ruth, is due to set a lot of world series records this autumn.

The Babe already owns more world series records outright than any other player in the game's history. He shares a number of others, but he has a chance this autumn to add still more records to his already huge list.

For instance—there's Lou Gehrig's runs batted in for one series mark, there is Dutch Reuther's three base hit record, and Chick Harley's two base hit mark. Each of these marks is well within the capacity of the Babe.

However, just playing in his tenth series will give Ruth a new world series record, one which probably will never be equalled.

Here are the world series records Ruth now holds, a number of which he probably will better:

Home runs, series, four 1926.
Home runs, all series 13 1921, 1, 1923; 1926, 4; 1927, 2; 1928, 2.

Total bases, game, 12 (Oct 5, 1926 and Oct 9, 1928).
Total bases, series, four 1926.

Total strikeouts, all series—27 (1916, 2; 1918, 3; 1921, 3; 1922, 3; 1923, 4; 1926, 2; 1927, 2; 1928, 1).

Total runs scored, game—19 (Oct 6, 1926).

Total runs scored, series—Nine (1928).
Total runs scored, all series—31 (in nine world series).

Total runs batted in, all series—27 (in only seven series—he did not hit in 1915 and 1916).

Total times batted 300 or better—five (313 in 1921, 368 in 1926, 400 in 1927 and 425 in 1928).

Highest batting average, one series, .425 (1928).

Ruth also holds such records as having played in most world series. If he plays in the 1932 classic he will break his tie with John McGraw, former Giant manager, for participation in most series. McGraw managed nine world series teams.

Ruth has also played in more world series games than any other player—37, five with Boston and 32 with New York. No man has played with as many world series winners as Ruth. He was on the winning side six times, with Boston in 1915, 1916 and 1918, and with the winning Yankee teams of 1923, 1927, 1928.

The Bambino also holds several joint records. He, along with Elmer Smith, Cleveland 1920; George Goslin, Washington, 1924; Lester Bell, St. Louis, 1926; Al Simmons, Philadelphia, 1929; Charley Grimm, Chicago 1929; and Pepper Martin, St. Louis, 1931, holds the record for runs batted in for one game—four.

ANOTHER ALBERTA WINNER

Joey, March gelding son of Dr. Joe-Aileen Hogg, is the champion of the two year olds foaled in Western Canada. He won the Winnipeg Purse at Whittier Park, and thereby enriched his owner trainer C. I. Jacques, Calgary, to the extent of \$1,845, the winner's share of the purse.

Joey had no easy task to capture first place in the six furlong test at Madras, from the A. C. T. stock farm, Vancouver, closed with a furious rush which only fell a nose short of grabbing the big end of the pot.

Eight fine looking juveniles were left to decide the issue from the long list of nominations for the state. The public found it hard to decide on a favorite, but the final returns show that Joey had a slight edge on Penpiston, from the Eaton barn.

Takenada broke in front, closely followed by Last Pot and Perfect Knight. Warren, on Joey, started to move up as they rounded the club house turn, and he went to the front at the half. Mail fast with Rodrick aboard, made his bid at the same time, and they rounded the last turn like a team. Joey managed to hold his advantage, despite a desperate closing drive by Madrat. Perfect Knight had no trouble hanging on for third.

Penpiston was the hard luck horse of the race. He ran into pecc after pocket and there was no opportunity to ascertain his real ability.

Joey was in rare form, and was

And how much would you say this colt was worth? asked the railroad claim agent of the farmer.

Not a cent less than \$500! emphatically declared that sturdy son of the soil.

Pedigreed stock, I suppose? Well, no, the bereaved admitted reluctantly. But you could never judge a colt like that by its parents.

No, the attorney agreed dryly. I've often noticed how crossing with a locomotive will improve breed.

given a fine ride by Warren, who remained over on purpose for the race after the Hartman horse lost.

Left Joey had not met shortly in July, but had worked off daily at Whittier Park track.

This race was first run in 1901 when Hot Whittier was the winner. Last year Mad Somers carried the rich purse.

This race made old man Layzell of Calgary feel pretty good as he owns Dr. Joe and his many Strathmore friends will also be pleased

The young couple had gone on a camping trip for the honeymoon.

He—What is this, anyhow? tea or coffee?

She—What does it taste like? He—Carrot.

She—Then it must be the tea. The coffee tastes like gasoline.

The following correction appeared in a small town paper:

"Our paper carried the notice last week that Mr. John Doe is a detective in the police force. This was a typographical error. Mr. Doe is really a detective in the police force."

A gentleman having an appointment with another who was habitually unpunctual, to his great surprise found him waiting. He thus addressed him:

"Why, I see you are (first at last) you were always behind before; but I am glad to see you have become early of late."

Father, really, an Irish priest to whom for his wit was being entertained by a newly rich neighbor.

When showing the guest into the library, the host very proudly exhibited out his wonderful collection of books saying, "These are my friends."

Healy took one of the books and examining it carefully, replied: "Yes, and I am glad to see you are not one of those people who cut their friends."

INTERNATIONAL HARVESTER CROP PRICE GUARANTY

Take advantage of this offer...
Get the new equipment you need to reduce your production costs

Many farmers who need new machines for the economical production of their crops have been reluctant to buy them because of uncertainty as to the prices they will receive later in the year for these farm products.

In order to meet this situation, the International Harvester Company of Canada, Ltd., offers to farmers purchasing machines after this date, a definite price guaranty on wheat based on 77 cents a bushel for No. 1 Northern at Winnipeg, applying to a liberal portion of the purchase price of the machine. If the market price for wheat does not reach the guaranteed price at the time payment becomes due on notes given and maturing this year, the purchaser of machines under the plan will receive a credit equal to the difference.

Any farmer in Canada, regardless of where he lives or what he raises, can purchase McCormick-Deering farm machines under the terms of this offer.

This is your chance to replace wornout and obsolete equipment on a favorable price basis. Let us explain the details of this remarkable plan and tell you just how to take advantage of it in equipping your farm with the new cost-reducing machines you need at a real saving.

ROCKYFORD NOTES

Continued from Front Page
A very pleasant time was spent
at the home of Mrs. Pomroy, St. on
Saturday evening when some of
her neighbors surprised her on the
occasion of her birthday. Though
many others were detained at
home owing to the extreme heat
of weather which was being dealt
out at that particular time, they
were indulged in after which a
very tasty lunch was served.

Mr. and Mrs. C. C. Wilson are re-
turning over the girls of a son,
Francis Phillip, at the Bassano
Hospital on Wednesday Sept 14th.
Both mother and baby doing fine.

On Friday a fire broke loose in
some of the back yards in town
and only due to the prompt action
of these who saw it was a bad fire
prevented.

A well attended meeting of the
Rockyford Ladies Aid Society con-
vened at the church parlors on
Thursday afternoon with the
President Mrs. D. S. Howick in the
chair. Arrangements for the Tur-
key Supper to be held on October
24th in conjunction with the An-
niversary services held on Oct 22
comprised the principal business of
the meeting. Rev. C. Rodgers of
Carstairs and one time of Rocky-
ford will preach the anniversary
services and will give a short
talk on Monday evening on his
work in the Peace River. There
will also be a good program. At
the close of the meeting Mrs. Rob-
erts the hostess for the day served
a very dainty lunch. The next
meeting of the society will be held
at the home of Mrs. Piggins with
Mrs. Pomroy assisting.

It was a shock to the community
to learn of the death of Elmer
Muenchbach in Calgary on Monday
morning after a short illness. Mr.
and Mrs. Muenchbach have lived in
the district since 1918 and Elmer
was born here twelve years ago.
He is survived by his parents,
three brothers and one sister, he
leaves many relatives in the dis-
trict. He was one of the Boy Scouts
and his companions will miss him
very much as well as with his
school companions. Funeral ser-
vices will be held at St. Rita's
Church on Wednesday morning
September 22nd, at 10 o'clock. Rev.
Father Killen officiating. Burial
will take place in St. Rita's cem-
etry.

The Boy Scouts visited Calgary
on Saturday last to take part in
the review and inspection by the
Earl of Bessborough, Governor
General of Canada. They also had
the pleasure while there of seeing
the leader, Scout Master C. H.
Clarke presented with a medal for
bravery in his attempt to rescue
a fellow workman when he was
caught on a live wire last spring.
